<b>ISSUE/TOPIC:</b>	Hunter Education Fees
<b>PROPOSED CHANGE:</b>	<p>State Statute 29.591 (3) is amended to read:</p> <p>(3) INSTRUCTION FEE. The department shall by rule establish the fee for the course of instruction under the hunter education program and bow hunter education program. The department may allow instructors to keep up to \$5 per student for allowable costs as determined by the department. The department further shall be allowed to charge necessary fees for advanced hunter education courses. These fees shall be subject to approval by the department.</p> <p>NR 19.40 is created to read:</p> <p>NR 19.40 The fee for the all-terrain vehicle, bowhunter, snowmobile, and hunter education certification programs shall be \$10.00. AN ACT ...; relating to: the budget

*Analysis by the Legislative Reference Bureau*

**NATURAL RESOURCES** ✓

**FISH, GAME, AND WILDLIFE** ✓

Under current law, with certain exceptions, no person born on or after January 1, 1973, may obtain a hunting approval from the Department of Natural Resources (DNR) without obtaining a certificate of accomplishment from DNR. DNR issues certificates of accomplishment upon successful completion of DNR's hunter education program or bow hunter education program. Current law provides that DNR may not charge a fee for the course of instruction under either education program, although DNR may reimburse instructors for allowable costs up to \$5 for each student who receives instruction.

This bill requires DNR to charge a fee for its hunter education and bow hunter education courses. The bill also authorizes DNR to offer advanced hunter education and bow hunter education courses and allows DNR to charge an additional fee for the advanced courses. The bill provides that each instructor may collect the fee and retain allowable costs up to \$5 for each student who receives instruction, rather than receive reimbursement from DNR for these costs as under current law. The balance of the fee must be remitted by the instructor to DNR.
